SAFEGUARD COMFORT SERVICE AGREEMENT

GENERAL TERMS

- No charge for labor when repairing or replacing the parts listed in your service agreement during regular service hours (8:00 am to 4:00 pm, Monday through Friday)
- Emergency service rate will apply (4:00 pm to 8:00 am, Monday through Friday, and all day Sat and Sunday), whether or not the part would be covered during regular hours.
- Labor 10% less prevailing rate and parts at 10% below our list price will be charged for repairs to all parts and services not specifically listed in your service agreement (applies to regular service hours only)
- This agreement give you 10% discount on all hourly rates except where tax is applicable (Airconditioning)
- Repeat calls for services not covered by this agreement and or for which the customer has been advised to correct an issue, are not covered by this service agreement.
- If T. Daniel Specialty Heating, Inc. determines that in its opinion equipment or parts become obsolete or are no longer readily available, or the entire system needs to be replaced this will not be covered by your service agreement. This includes but is not limited to:
 - A. Air Conditioning
 - B. Oil Burner or Furnace Heating Equipment
 - C. Gas Burner or Furnace Heating Equipment
- T. Daniel Specialty Heating, Inc. assumes no responsibility for secondary damages caused by heating or a/c failure when building is unoccupied, oil lines or heat pipes are frozen or clogged, oil tank leaks, water damage caused by excessive dampness, work done by persons other than T. Daniel technicians, or any other loss, damage, or injury resulting from delay in rendering service under the agreement, and in no event shall be liable for consequential damage.
- This agreement does not cover heating or a/c failures or damages by fire, flood, lightning storms, or other natural disasters, electrical failures, broken water lines, labor or transportation difficulties, acts of war, riots, governmental acts or requests, negligence, vandalism, or any other abnormal conditions beyond our control.
